Thought Spot: The gospel means good news. This good news has the power to change your life. How? It's a new way of thinking and being. The good news is not something that comes from within you. It comes from outside of you. It comes from the Triune God! The information contained in the gospel, when activated by the Spirit, can have a transforming effect. But it has to get inside of you. It's an inside job. Now that's something to think about. Pastor Phil
