Section VI deals with unlawful conduct. This section has been included to protect the Adventurer Club members from abuse and protect the Seventh-day Adventist church organization from recommending any staff member who has a problem in this area.

If the conference Adventurer director recommends the applicant, none of the information will be forwarded. If the applicant has not been approved, information in Sections I through V will be copied and sent to the local Adventurer director and the 'office use only' box on the top of the front of this form will indicate not recommended or recommended with conditions noted.

When a local club director receives a recommendation from the conference, the Youth Director may not release any specifics but may respond only with 'recommended', 'not recommended', or 'recommended with conditions noted'.

All information on this application will become a permanent record and should include updates. In the event of accusations against the applicant, opportunity should be given for response by the accused. This response also becomes a part of the record.

We regret having to include a section on unlawful conduct, however, understanding the epidemic proportions of this problem, it becomes necessary to maintain records to protect children, parents, Adventurer staff and the church.
