### Seeking to Please Him

The Adventurer program was created to assist parents in their important responsibilities as their child's primary teachers and evangelizers. The Adventurer Club gives children a foundation of valuable life skills that promote spiritual, physical, intellectual and social growth. Children enjoy a variety of activities teaching them about nature, the Bible, arts and crafts, recreation, and life skills such as money management, cooking, outreach and service. The Adventurer program is sponsored by the Seventh Day Adventist church, but is open to all children and their families who are looking for positive Christian guidance for their little ones. Don't hesitate to invite other families and their children to join us we Seek to Please Him.

**Newsletter ~ Adventurer Newsletter will go out twice a month to help keep you informed and updated on our activities. If you have class highlights you would like us to include in the Adventurer Club Happenings section, please submit them to**
